What the.....?

Once upon a time, a generation gathered in the mud to prove that **music could change the world**.....Now, a new generation of rockers is about to do it again — only this time, with louder amps, bigger hair, and better snacks.

Something **LOUD** is coming to Ontario... and it's got more attitude than your uncle's mullet.

ROCKSTOCK CANADA is an explosive 3 day weekend for rockers, car junkies, bikers, rebels, and rhythm junkies — a massive peaceful outdoor festival celebrating the raw, loud, unapologetic power of live music all while raising money for charity.

Expect:

- Legendary **headliners: Lee Aaron & Carole Pope of Rough Trade** and killer **Tribute Bands** like **Hell n Back, Aeroforce, Stoned and Rolling, Big Shiny 90's, Just Janice. Originals** such as **BootLegged (your creators), Big Motor Gasoline, Wayward Saints, Local bands** like **Wicked Truth, MLC, Full Throttle, Jukebox (woodstock Legends) and Emerging Artists**
- Beer gardens, camping, selected suitable vendors, and food that'll make your taste buds headbang - with prices that are reasonably not explosive
- Wild contests, RockStock Icon, charity tie-ins, and community spirit (because rockers have heart too), tens of thousands in prizes and more including a **Motorcycle, Roundtrip Flight for two (courtesy of WestJet), Guitar from Long & McQuade Gravenhurst** and more
- The kind of memories you can only make when guitars are screaming and the crowd's losing their minds
