What the.....?

Once upon a time, a generation gathered in the mud to prove that **music could change the world**.....Now, a new generation of rockers is about to do it again — only this time, with louder amps, bigger hair, and better snacks.

Something LOUD is coming to Ontario... and it's got more attitude than your uncle's mullet.

ROCKSTOCK CANADA is an explosive 3 day weekend for rockers, car junkies, bikers, rebels, and rhythm junkies — a massive peaceful outdoor festival celebrating the raw, loud, unapologetic power of live music all while raising money for charity.

Expect:

- Our Feature Headliners - **LEE AARON and CAROLE POPE of Rough Trade** and killer **Tribute Bands, Originals and Emerging Artists**
- Beer gardens, camping, selected suitable vendors, and food that'll make your taste buds headbang - with prices that are reasonable not explosive
- Wild contests, RockStock Icon, charity tie-ins, and community spirit (because rockers have heart too), tens of thousands in prizes and more including a **MOTORCYCLE, TRIP FOR TWO, GUITAR, ELECTRIC FIREPLACE** and more
- **Critters Legacy Bike Show and Shine and our Rock Stock Canada Classic Car Show**
- The kind of memories you can only make when guitars are screaming and the crowd's losing their minds

From the first power chord to the last encore, **RockStock** is a full-throttle, peace-loving, riff-worshipping celebration of everything that makes live music magic and we need your support.

Whether you're a die-hard rocker, a karaoke king, or just someone who loves loud good vibes, this is YOUR tribe.

Join the website and facebook group to get:

- Exclusive updates, lineup announcements, giveaways, and behind-the-scenes chaos.
- Sneak peeks of our twisted teaser campaign (yeah, the one everyone's

talking about).

- A front-row seat to the madness as we count down to the biggest party of the year.
