We are reaching out to invite you to support **RockStock Canada**, a **not-for-profit, explosive three-day music festival** taking place **August 14–16, 2026**, Sunset Speedway, Innisfil, Ontario.

RockStock Canada is more than a music festival. It is a community-driven event designed to bring people together through live music while raising vital funds for meaningful local causes. Proceeds from RockStock Canada will directly support:

- **POGO - For Kids With Cancer (Pediatric Oncology Group of Ontario)**
- **My Sisters Place (Alliston)**

These organizations provide critical support to children, families, and individuals in our region, and we are proud to stand behind their important work.

To make RockStock Canada a success, **we need your support**. We are gratefully accepting:

- **Monetary donations**
- **Gift certificates or prizes** for draws and promotions
- **Merchandise**
- **Event sponsorships**

All contributions will help us offset event costs and maximize the funds donated to our chosen charities. In appreciation, supporters will be acknowledged through event promotions, signage, and online recognition, with additional exposure opportunities available for sponsors.

RockStock Canada is expected to attract music lovers from across the nation, offering a unique opportunity to support worthy causes while showcasing your commitment to the community.
